Professional Summary

Driven software developer with hands-on experience in full-stack development through the **Career Technology Apprenticeship Cohort**, a comprehensive tech training program. Proven ability to deliver high-quality applications in collaborative Agile environments, with expertise in deployment, application management, and user-centered solutions. Seeking an entry-level software development role to apply and expand technical skills.

Education

University Tun Abdul Razak

Kuala Lumpur, Malaysia

Bachelor of Organizational Leadership & Management

March 2023

Professional Experience

Stiegler Edtech – Full-Stack Apprentice

May 2024 – November 2024

- Served as a **Scrum Master**, utilizing Agile methodologies for a team that developed a Twitter-like application, and managed project workflows using **Trello**, **Jira**, and **Git** for effective project and task management.
- Built, deployed, and managed applications using modern frameworks like **Spring Boot**, **Node.js**, and **React**, with strong proficiency in **Java**, **JavaScript**, and **SQL**.
- Developed and maintained a casino games project backend using Spring Boot and **SQLite**, containerized with **Docker** for **AWS** deployment.
- Designed and integrated **RESTful APIs** to handle complex data manipulations and implement real-time features.
- Proficient in managing and utilizing databases, including **SQLite**, **MySQL**, **MongoDB**, and **PostgreSQL**.
- Streamlined Continuous Integration and Continuous Deployment pipelines using **GitHub Actions** and **Docker** to ensure rapid iteration and high-quality deliverables.
- Consistently met project deadlines, overcoming tight timelines and complex requirements to deliver impactful results.

Give.Asia – Partnership Team Executive

January 2023 – December 2023

- Directed strategies to enhance **120** medical and social fundraising campaigns across Asia, achieving 100% target results while managing workflows in **Asana**.
- Onboarded members from low-income communities, helping them raise funds while generating impactful stories that improved company reputation and revenue.
- Fostered strong client relationships through effective remote communication using **Slack**, ensuring sustained engagement and support.
- Delivered comprehensive project updates to stakeholders, maintaining alignment with objectives and milestones.

Refugees Emergency Fund – Operations Administrator

July 2019 – December 2022

- Scheduled and led team meetings, managed case workers, and delegated tasks to ensure efficient case handling and project completion.
- Prepared monthly budget reports and financial summaries, tracking fundraising figures and raising over **\$100,000** in the first year.
- Organized fundraising events and actively participated in setting up booths to raise organizational awareness, resulting in an increase in donor engagement and contributions.
