## Professional Summary

Driven software developer with hands-on experience in full-stack development through the Career Technology Apprenticeship Cohort, with a proven track record of delivering high-quality applications. Skilled in collaborative Agile environments, focused on deployment, application management, and user-centered solutions. Actively seeking a suitable entry-level role to apply and expand my technical skills..

## Education

Bachelor of Organizational Leadership & Management from University Tun Abdul Razak at Kuala Lumpur, Malaysia (March 2023)

## Professional Industry Experience

### **Stiegler Edtech (Full-Stack Apprentice)**

**May 2024 – November 2024**

- Participated in group collaborations and **Agile** environments enhanced with **Trello, Jira** and **Git**.
- Experienced in building, deploying, and managing applications using modern frameworks like **Spring Boot, Node.js, and React**, with strong proficiency in **Java, JavaScript**, and **SQL**.
- Developed and maintained a casino games project with comprehensive backend features using **Spring Boot** and **SQLite**, containerized with Docker for deployment on **AWS**.
- Integrated and designed **RESTful APIs**, handling complex data manipulations, and implementing real-time features for user-centric applications.
- Collaborated in **Agile** development teams, focusing on Continuous Integration and Continuous Deployment practices with tools like **GitHub Actions** and **Docker**, ensuring streamlined deployment and rapid iteration.
- Consistently met all project deadlines, delivering high-quality work on time despite tight timelines and challenging requirements.

### **Give.Asia**

#### **Partnership Team Executive**

**January 2023-Dec 2023**

- Led strategies to enhance **120** medical and social fundraising campaigns across **Asia**, achieving **100%** target results.
- Introduced members from low-income communities to the platform, helping them raise funds for local needs and generating impactful stories that boosted company reputation and revenue.
- Built strong client relationships through effective remote communication, ensuring engagement and consistent support.
- Delivered project updates and maintained stakeholder involvement to keep campaigns aligned with objectives.

### **Refugees Emergency Fund**

#### **Operations Administrator**

**Jul 2019 - Dec2022**

- Scheduled and led team meetings, managed case workers, and delegated tasks to ensure efficient case handling from inquiry to successful completion.
- Prepared monthly budget reports, tracked fundraising figures, and generated financial summaries to support organizational planning and grant applications, raising over **\$100,000** in the first year.
- Conducted patient visits and managed fundraising events, building relationships with stakeholders to align with long-term development goals.
